#### Deliverable 2- Requirements

To be turned in by:  
Actually Turned in by:

Priti Lalloobhai  
Priti Lalloobhai

#### Task

- 1 User interface mockup
- 2 A filled in task sheet
- 3 Requirements spreadsheet
- A document describing the negotiation of the interface with other subsystems. If the other group does not participate, this is the place to record it.
- 5 An interface description. This also needs to be committed to GitHub.
